FOUNDER'S VISION — SANT BABA NAHAR SINGH JI

The Babe Ke Group of Institutes was founded on the timeless spiritual and humanitarian principles of **Sant Baba Nahar Singh Ji**, whose life was devoted to selfless service (*seva*) and the upliftment of society through education and health.

Sant Ji envisioned an institution where young men and women from all walks of life could access quality professional education without financial barriers — where the spirit of compassion is woven into every lesson, every clinical placement, and every interaction with a patient.

His teachings emphasize: **Seva (Selfless Service)**, **Satya (Truth & Integrity)**, and **Gyan (Knowledge)**. These three pillars form the living foundation of our institution's.

"Education rooted in compassion is the greatest service one can render to humanity. Heal with your hands, heal with your heart."

— Sant Baba Nahar Singh Ji

CHAIRMAN'S MESSAGE

A Warm Welcome from Our Leadership

Dear Students, Faculty, Parents & Well-wishers, as we step into a new academic season, we are delighted to share our newsletter — a window into the vibrant life at Babe Ke Group of Institutes. Guided by the divine vision of **Sant Baba Nahar Singh Ji**, our institution continues to stand as a beacon of quality nursing education in Punjab. We are proud to announce the opening of admissions for our 2026 cohort and invite aspiring nurses and healthcare leaders to join our family.

INDERPAL SINGH KLER
(CHAIRMAN)

CAMPUS HIGHLIGHTS — EVENTS

FLAGSHIP EVENT

World Hypertension Day Celebration 2026

World Hypertension Day is observed every year on 17th May to spread awareness regarding hypertension and its prevention. As 17th May 2026 fell on a Sunday, the event was celebrated on 18th May 2026 from 12:00 PM to 1:30 PM in the Seminar Hall of Babe Ke Ayurvedic Medical College and Hospital. The programme witnessed enthusiastic participation from BAMS students of Batch 2021, 2022, and 2023.

SKILLS LAB

Environmental Nodal officer teacher Training workshop Zero Waste Management

Zero waste management is an environmental approach that aims to reduce the amount of waste sent to landfills, incinerators, and oceans. It encourages the efficient use of resources through reducing, reusing, recycling, and composting materials. The main goal is to minimize environmental pollution and conserve natural resources.

International Yoga Day 2026
