Principal,
Babe Ke College of Education,
Daudhar (Moga).

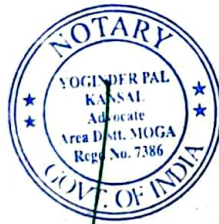

No. 421-1

Dated: 01.01.2025

Subject: Building Safety Certificate for Differently-abled.

An inspection in regard to Letter No. 421 Dated 01.01.2025 regarding Building Safety Certificate was done by Junior Engineer. The building is found to be suitable and accessible for disabled students, which is under following inspections and guidelines: -

1. The existing ramp is required to be renovated as per accessibility criteria and to insure the comfort of miscellaneous disabled student to be used.
2. Establishment of new lift or ramp including any additional construction work will be undertaken under the supervision of Designated Engineer.
