

Memorandum of Understanding

Babe Ke College of Education, Daudhar, Moga and Babe Ke Ayurvedic Medical College and Hospital, Daudhar, Moga, India enters this memorandum of agreement for purpose of establishing a formal relationship between two institutions.

The aims of memorandum of agreement are:

- ❖ That the two institutions link together for educational cooperation.
- ❖ That they will share experience and expertise in the areas of ICT.
- ❖ That they will share joint research project development.
- ❖ That the two institutions will jointly organise Convocations, seminars, cultural meets, and Sports events.
- ❖ That they will explore opportunities for faculty exchange and professional development.
- ❖ That they will share the common infrastructural and student support services like auditoriums, Stadium, Playgrounds, canteens, Hospital, Herbal garden and transportation.
- ❖ That they will facilitate exchange of expert services for the benefit of the other institute.
- ❖ That they will share the best practices in institutional management, research and especially in institutional quality enhancement.

This agreement may be amended in the future, in light of developing mutual relationship between two institutions. This agreement shall be in place initially for a period five years, commencing from date of signing, but may be terminated with six month's notice

The agreement involves no change in independence of either parties, and has no implications for other constitutional arrangements.
